19 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Brian Naslund ("Complainant") is the Executive Officer of the Board of Podiatric
23 Medicine ("Board"). He brought this action solely in his official capacity and is represented in
24 this matter by Xavier Becerra, Attorney General of the State of California, by John S. Gatschet,
25 Deputy Attorney General.

26 2. Tae Joo Song, D.P.M. ("Respondent") is representing himself in this proceeding and
27 has chosen not to exercise his right to be represented by counsel.

28 ///

3. On or about March 31, 2008, the Board issued Podiatrist License No. E 4773 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 500-2016-000448. On December 31, 2017, Respondent failed to pay his license renewal fee. Respondent's license is currently in delinquent status and he is not eligible to practice podiatry.

JURISDICTION

4. Accusation No. 500-2016-000448 was filed before the Board, and is currently pending against Respondent. Respondent and the Board agree that the Accusation and all other statutorily required documents were properly served on Respondent. Respondent has agreed to waive the filing of his Notice of Defense and enter into a Stipulated Surrender of his license. Respondent understands and agrees that the Board has jurisdiction to take disciplinary action against his license in this administrative matter. A copy of Accusation No. 500-2016-000448 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, and understands the charges and allegations in Accusation No. 500-2016-000448. Respondent also has carefully read, and understands the effects of this Stipulated Surrender of License and Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at his own expense; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

111

CULPABILITY

8. Respondent wishes to retire from the practice of podiatry. Respondent admits the truth of each and every charge and allegation in Accusation No. 500-2016-000448, agrees that cause exists for discipline and hereby surrenders his Podiatrist License No. E 4773 for the Board's formal acceptance.

9. Respondent understands that by signing this stipulation he enables the Board to issue an order accepting the surrender of his Podiatrist License No. E 4773 without further process.

CONTINGENCY

10. This Stipulated Surrender of License and Disciplinary Order shall be subject to approval of the Executive Officer on behalf of the Board. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Officer for his consideration in the above-entitled matter and, further, that the Executive Officer shall have a reasonable period of time in which to consider and act on this Stipulated Surrender of License and Disciplinary Order after receiving it. By signing this stipulation, respondent fully understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the time the Executive Officer, on behalf of the Board, considers and acts upon it.

11. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Executive Officer on behalf of the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to approve and adopt this Stipulated Surrender of License, the Executive Officer and/or the Board may receive oral and written communications from its staff and/or the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the Executive Officer, the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving respondent. In the event that the Executive Officer on behalf of the Board does not, in his discretion, approve and adopt this Stipulated Surrender of License, with the exception of this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party

1 hereto. Respondent further agrees that should this Stipulated Surrender of License be rejected for
2 any reason by the Executive Officer on behalf of the Board, respondent will assert no claim that
3 the Executive Officer, the Board, or any member thereof, was prejudiced by its/his/her review,
4 discussion and/or consideration of this Stipulated Surrender of License or of any matter or matters
5 related hereto.

6 12. The parties understand and agree that Portable Document Format ("PDF") and
7 facsimile copies of this Stipulated Surrender of License and Order, including Portable Document
8 Format ("PDF") and facsimile signatures thereto, shall have the same force and effect as the
9 originals.

10 13. In consideration of the foregoing admissions and stipulations, the parties agree that
11 the Board may, without further notice or formal proceeding, issue and enter the following Order:

12 **ORDER**

13 **IT IS HEREBY ORDERED** that Podiatrist License No. E 4773, issued to Respondent Tae
14 Joo Song, D.P.M., is surrendered and accepted by the Board of Podiatric Medicine.

15 1. The surrender of Respondent's Podiatrist License No. E 4773 and the acceptance of
16 the surrendered license by the Board shall constitute the imposition of discipline against
17 Respondent. This stipulation constitutes a record of the discipline and shall become a part of
18 Respondent's license history with the Board of Podiatric Medicine.

19 2. Respondent shall lose all rights and privileges as a Podiatrist in California as of the
20 effective date of the Board's Decision and Order.

21 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was
22 issued, his wall certificate on or before the effective date of the Decision and Order.

23 4. If Respondent ever files an application for licensure or a petition for reinstatement in
24 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must
25 comply with all the laws, regulations and procedures for reinstatement of a revoked or
26 surrendered license in effect at the time the petition is filed, and all of the charges and allegations
27 contained in Accusation No. 500-2016-000448 shall be deemed to be true, correct and admitted
28 by Respondent when the Board determines whether to grant or deny the petition.

1 5. Respondent and the Board stipulate and agree that the total costs of investigation and
2 enforcement in this matter are \$10,000.00.

3 Respondent shall pay \$2,000.00 to the Board within one-year of the effective date of the
4 Decision and Order. The filing of bankruptcy by the respondent shall not relieve the respondent
5 of his responsibility to reimburse the Board for its investigative and enforcement costs. If
6 Respondent fails to pay the Board \$2,000.00 within one-year of the effective date of the Decision
7 and the Order the parties stipulate and agree that as set forth in Business and Professions Code
8 section 2497.5, subdivision (c), the Board shall enforce the order of payment by bringing a civil
9 action for \$2000.00 in any appropriate court and seek a civil judgment against Respondent.

10 Respondent shall pay the remainder balance of \$10,000.00 owed to the Board prior to the
11 issuance of a new or reinstated license.

12 6. If Respondent should ever apply or reapply for a new license or certification, or
13 petition for reinstatement of a license, by any other health care licensing agency in the State of
14 California, all of the charges and allegations contained in Accusation, No. 500-2016-000448 shall
15 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of
16 Issues or any other proceeding seeking to deny or restrict licensure.

17 7. The Board upon acceptance of Respondent's surrender of his certificate to practice
18 podiatry, shall close the following pending investigations of Respondent in Investigation Nos.
19 500-2017-000563, 500-2017-000565, 500-2017-000567, 500-2017-000569, 500-2017-000568,
20 and 500-2017-000564.

21 8. Respondent understands and agrees that all information contained in Investigation
22 Nos. 500-2017-000563, 500-2017-000565, 500-2017-000567, 500-2017-000569, 500-2017-
23 000568, and 500-2017-000564, shall be preserved. Upon a petition for reinstatement,
24 Respondent agrees, understands, and stipulates that the Board shall be able to use the
25 Investigations as a further basis for denial of a petition for reinstatement. The allegations being
26 investigated in the investigations shall be deemed to be true, correct, and admitted by Respondent
27 when the Board determines whether to grant or deny the petition. Furthermore, Respondent
28 agrees, understands, and stipulates that upon the filing of a petition for reinstatement, he will be

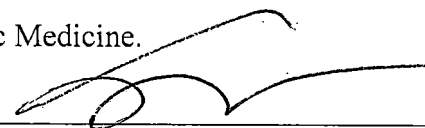

1 admitting that Investigation Nos. 500-2017-000563, 500-2017-000565, 500-2017-000567, 500-
2 2017-000569, 500-2017-000568, and 500-2017-000564 evidence additional acts of
3 unprofessional conduct because he committed gross negligence in the care and treatment of his
4 patients. Finally, Respondent understands and agrees that by entering this stipulation, that he is
5 permanently waiving any and all claims of laches and/or statute of limitations defenses as they
6 relate to Investigation Nos. 500-2017-000563, 500-2017-000565, 500-2017-000567, 500-2017-
7 000569, 500-2017-000568, and 500-2017-000564.

8 ACCEPTANCE

9 I have carefully read the Stipulated Surrender of License and Order. I understand the
10 stipulation and the effect it will have on my Podiatrist License. I also understand the impact that

12 and understand the terms related to Cost Recovery in this matter. I enter into this Stipulated

“(b) Gross Negligence.

“ ”
...

COST RECOVERY

6. Section 2497.5 of the Code, states in pertinent part that:

“(a) The board may request the administrative law judge, under his or her proposed decision in resolution of a disciplinary proceeding before the board, to direct any licensee found guilty of unprofessional conduct to pay to the board a sum not to exceed the actual and reasonable costs of the investigation and prosecution of the case.

“(b) The costs to be assessed shall be fixed by the administrative law judge and shall not be increased by the board unless the board does not adopt a proposed decision and in making its own decision finds grounds for increasing the costs to be assessed, not to exceed the actual and reasonable costs of the investigation and prosecution of the case.

“(c) When the payment directed in the board’s order for payment of costs is not made by the licensee, the board may enforce the order for payment by bringing an action in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee directed to pay costs.

“(d) In any judicial action for the recovery of costs, proof of the board’s decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

“(e) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

3 “(f) All costs recovered under this section shall be deposited in the Board of Podiatric
4 Medicine Fund as a reimbursement in either the fiscal year in which the costs are actually
5 recovered or the previous fiscal year, as the board may direct.

6 CAUSE FOR DISCIPLINE

7 (Gross Negligence)

8 7. Respondent’s license is subject to disciplinary action under sections 2222 and 2234,
9 subdivision (b), of the Code in that he committed acts of gross negligence and unprofessional
10 conduct during the care and treatment of Patient A.¹ The circumstances are as follows:

11 8. On or about September 10, 2014, Respondent saw Patient A, an elderly gentleman, in
12 his office regarding a podiatry referral of right foot pain at the fifth MTP joint, tender to touch
13 with fifth proximal phalanx angled upwards about forty-five degrees. Respondent diagnosed
14 depressed metatarsals two through five of the right foot and hammertoes. Respondent did not
15 document performing a vascular workup despite the patient having a lengthy history of vascular
16 issues. Respondent documented that he advised the patient to take a conservative treatment
17 approach but he then also documented that the patient requested immediate surgery and,
18 Respondent booked him for the next day.

19 9. On or about September 11, 2014, Respondent performed surgery. In his pre-operative
20 report, the Respondent’s diagnosis of Patient A’s right foot was documented as hallux
21 interphalangeal joint valgus right foot, depressed and dislocated second, third, and fourth
22 metatarsals, and a painful bunion. The x-rays reviewed by Respondent on September 10, 2014,
23 showed no evidence of gross fracture or dislocation in the digits located on Patient A’s right foot.
24 Respondent also documented digital contractures of the second, third, fourth, and fifth digits on
25 the patient’s right foot and chronic plantar fasciitis. Respondent did not document chronic plantar
26 fasciitis in the history and physical that he had documented a day earlier on September 10, 2014.

27
28 ¹ All parties and witnesses will be identified in discovery.

1 10. Respondent performed the following procedures on Patient A on September 11, 2014:
2 1. Akin osteotomy with internal fixation; 2. Plantar condylectomy of the second, third, and
3 fourth metatarsals of the patient's right foot with slide back osteotomies of the second, third, and
4 fourth metatarsals of the patient's right foot; 3. An adductory osteotomy of the fifth metatarsal
5 with internal fixation and an osteotomy of the fifth metatarsal of the patient's right foot with
6 plantar fascial release; and 4. Arthroplasties of the second, third, fourth, and fifth digits with
7 pinning. While Respondent's note documented that hemostasis was achieved with a right ankle
8 tourniquet, the note did not identify how long the tourniquet was inflated or when it was deflated.
9 The Respondent failed to identify Patient A's vascular status following surgery and didn't
10 adequately document the apex of an osteotomy. Finally, Respondent's note didn't discuss
11 specific incisions on each digital site.

12 11. Following Respondent's surgical intervention, the patient needed further surgery at
13 Mercy Medical Center, in Redding, California. In October 2014, a right superficial femoral artery
14 angioplasty was performed to fix an occlusion of the right femoral artery. On October 22, 2014,
15 and October 29, 2014, Patient A was found to have stenosis in the pedal vessels. On October 23,
16 2014, Patient A returned to surgery for an amputation of the fourth and fifth digits of his right
17 foot. On October 29, 2014, Patient A returned for additional surgery to have a transmetatarsal
18 amputation secondary to gangrene on the right foot.

19 12. Respondent's care and treatment of Patient A represents an extreme departure from
20 the standard of care in each of the following ways: 1. Failing to properly diagnose Patient A's
21 medical issues regarding his right foot; 2. Failing to properly document Patient A's medical
22 issues, including serious vascular problems, in the medical record before performing surgery; 3.
23 Performing multiple surgical procedures that were medically unnecessary and not advisable in an
24 elderly patient with a history of vascular issues; and, 4. Failing to properly manage Patient A's
25 care post-operatively.
